TTE Filters Hires David Zavac as Sales Manager

Los Angeles, CA (USA) – TTE Filters, a US-based manufacturer of high-reliability RF and microwave filters for communication and signal processing applications and an affiliate of Gowanda Holdings, announces the hiring of David Zavac as Sales Manager.

Zavac worked for TTE for almost 18 years before leaving the company to pursue other opportunities in 2012. TTE Filters has rehired him to oversee the company's sales, customer relations and sales channels.

“Dave is well known to many individuals and organizations in the signal processing and communication industry. Many of our customers have already mentioned how happy they are to know he has returned to TTE since they appreciate his work ethic, follow through and attention to detail,” said Claude Badawy, President at TTE.

“I’m excited about rejoining TTE and look forward to working closely with our customers to address their need for high performance filters that are provided with fast turnaround time and excellent customer service,” said Zavac.

Zavac will be available for comment at the upcoming International Microwave Symposium (IMS2015) being held in Phoenix, Arizona the week of May 17th. Please stop by Booth #717. He can also be reached at +1-716-228-0128 or via email dzavac@tte.com.

For general information about TTE Filters please contact tte@tte.com or go to www.tte.com.
